1. I have placed before you an open door, walk through it.
Walk through it, please walk through it now and not later.
Book your flights (1) for I come in rhapsody, in splendor and **My mind/head is upon these people I now bring you to/in/to.**

2. I love you and appreciate your fortitude/tenacity/guts to stand in/with nothing and create out of seemingly-nothing My will, which imbibes not the consciousness of man but elevates it into the butterfly of My spirit, yea consciousness of one new man/creation/woman, yea man woman'd (2) and who can argue with success, when its Mine/Me?

3. Yea see and London prevails not, yea London falls to Me, not, but rises in the ash-heap of distinction of not-Me, to become Me. Watch Me. **Reflect My glory in My London** with no bridges falling down but being built up of/in distinction of only Me/My glory, My springingly forth. **Yea smile and enjoy Me and revel in My confirmation of spring in London.** I am with thee/you until the foundation of the world earth shakes and that is now and yea Ted, beholden of Me, on past forever. I love you.

4. Think it not strange the experiences now I give you routinely/corporately for I am delivering My people from oppression and darkness on wholesale/large scales. Yea I have found them wanting, wanting, yea wanting Me and who can want Me and not find Me? I am thine oh Lord. I have heard thy voice and I am come for thy/My words which I now place in thy mouth as a sword, shield, and buckler; **and uproot you do now the mighty with a plowshare of truth that separates joint and marrow, truth and untruth**, and yea darkness for light; truth of Me from truth not and that which appears as/to be Me and isn't. I love you.

5. Spring is now and I dance and fly and glide and light hearted I am for My bride perisheth not but comes into full bloom and who is it that I'm courting/preparing? Yea Me, My bride, we are one. **And the greatest feast of preparation is now emergent and 2006 is the year of My appearing since the son of man walked the earth acknowledged as the Son of Man. Angels are.** I love you.

6. See My cataclysmic iconoclast not, but My man of many sorrows brooding not over past mistakes/trials/misunderstandings, but My people who arise now in clothing Mine,

only Mine, and yea no other; fully transparent, and operating who/where? Yea in Me and who where what is Me? I Am. And who where what are they? Knowing I Am as I Am and they Me fully I Am, and I Am respecting I Am as the holy of holies in **each one known fully and loving, submitting, leading with each other in the greatest "humility/purity=meekness" the world has ever seen**/witnessed/experienced and will for many successive generations.

7. I call Me blessed. I call Me now. I call you now. You know your name, your commission, your time. Your time is now and My commission is you. **You My people.** Me. Understand?
Yes, Sir. I understand.
Thank you. Amen.

8. Go, glow, grow in peace. All is provided magnificently/abundantly and ramifications many come out of those meetings that now I prevail in Me-ness of newness and **a fresh wind/breath of My being blows over Europe** and ripples forever and who can see the day of My appearing in Europe? Watch Me.

9. I love you, **connect you with giants of humility and weakness of flesh who My strong are and have no need of Me except encouragement and Ted, then, they explode.** Watch Me take/lift/explode the forgotten-not who think there is little hope but yea hold on and pray and fast and pure have become/remain, interceding for Me/the lost house of the sheep of Israel. Watch Me.

10. Edit not. Never.

11. I love you righteous one and holiness is your name now and forevermore and I thank you **Beholden of I Am using proudly/meekly forever**. I love you.

12. You are Mine, solely Mine and no other's. I love you and you know what I mean/whereof I speak and I thank you for judging Me worthy/worthwhile and wanting no others/placing none above Me. Thank you. Amen.

13. **Blow, breathe upon Europe; Russia soon,** following. Watch Me outpour. Behold the lamb slain who receives all/every order/instruction from surrendered one, Me; to thee, My Father. Yea you, you/Me-ing—Me/you-ing My people in

surrendered meekness **to truly receive the greatest outpouring since time began**.

14. And who started/began time and for what? Me? Hardly. See.

15. **And supercede every law/boundary known to man and kingdom of heaven preach/be in every town, city, and country afar** and near and afar knowing afar.
I network all. I Am. Thank you.
Amen.

16. Glow and chai enjoy for **China soon and all of Asia**.
I take you to/in and see Me they/you will and join Joyner's I do.

17. Yea of Me see and hosts revel in words spoken, revealed, published, **proclaimed this night/day My appearing in Me in London, China, Asia,** and who can stop Me?

18. The kingdom of heaven suffereth violence and the violent take it by force, and your force is Me, in being still (3) and knowing I am God and who are you? Me.

19. Yea **see Me in the greatest outpouring of God/My love since Father's heart created man.**

20. I love you. Proclaim and love and revel, **the kingdom of heaven is yours and your playground with Father** and all known and understood and the kingdom of meekness reigns supreme and there is no shadow or variable of turning in Me. I love you. Or those who succumb to My love, completely.

21. See, feel, become.

22. See, edit not.

23. Guess second guesses not for I bring all to pass in My name/blood and who is Me? You.

24. **What do you take to all? My blood, My body, My table, My forgiveness, My message that they are I Am and "be**

still" to know Me/I Am, and all I have stated is thus and so, not; but magnanimous splendor of My appearing in Me. **Yea 2006, behold Me, the blood of the lamb slain arises in the slain lambs who arise Me and Christs are, beholding Me, beholding each other,** yea miracles commonplace, for all is unto Me and who can defeat love tangible? No one.

25. The kingdom of heaven is and who can transcend transcendence? No one. Nothing.

26. I Am that/all I Am and **I am Father in you brought forth and you now give/explain all,** and every chart/graph/movie now is yours/Mine to display/give in discernment to the Holy-seeking in meekness, surrenderers to My royalty, them; I Am in I Am; one, at last: I Am.

27. Thank you Beholden of I Am. Amen.

28. Smile, My peace be upon you.
My peace is upon you.
My peace I give you.
You are My peace now, to many.
Take My table to each one/all, notwithstanding every/any obstacle, I prevail.
I Am.
I love you.

29. **The Priesthood of All Believers arises in every country bar none/without fail.** Watch Me. Watch Me. Watch Me.
I love you.
Lead/leading one. I love you.

Me
